Re: Chartis (Walk) v Hydrite Chemical Co.
Court File No.: 11-CV-2762 (PJS/LIB)
Our File No.: 42383

Dear Magistrate Judge Brisbois:

I have received your letter of May 29 as well as Mr. Sortland's letter of June 3. I agree with Mr. Sortland that the only remaining issue is the finalization of the settlement reached with Hydrite Chemical Co. I anticipate that this settlement should be finalized by the end of next week. Once the settlement with Hydrite is finalized, the parties will be in a position to execute a Stipulation for Dismissal. This should serve to fully resolve the claims against all parties.

Should you have any further questions regarding this matter, please do not hesitate to contact me.

Respectfully,

Blake W. Duerre
